HIGH-RESOLUTION TELEDERMATOLOGY

1. Registration at the Patient's Portal

A

Please make sure you are registered at the QuirónSalud Patient's Portal. You can access through the QuirónSalud's webpage or APP.

B

Before you end the consultation, please check that you have the Patient's Portal installed. It is essential that you have access to the Portal, as you will not be contacted through any other means.

C

Your results will be available at the Patient's Portal. You can access them through the APP or these QR codes.

App Store

Google Play

If you require help with the installation of the Patient's Portal, please contact the hospital's Customer Service.

2. Your diagnosis in 48 hours

A dermatologist will assess your pictures within **48 hours** (working days) and will issue their report as well as an electronic prescription, if necessary.

3. Results

You can access your **results** and your prescriptions, if required, through the Patient's Portal.

What can be assessed?

This method is valid for any skin lesion or other skin issues.*

Patients with skin lesions other than these will need to be assessed at a conventional in-person consultation.

* Except subcutaneous lesions, conditions requiring urgent attention, hair or scalp areas or issues involving a portion of skin that is larger than 50% of your body.
